

Artist 10 Drawing Display (2nd Gen)

New Artist, innovative drawing display with X3 chip stylus

POWERED BY
X3

X3 smart chip stylus
Sharp, Stable, Precise.

X3 smart chip stylus, sparks more creativity under your brush

The stylus flows faster than your inspiration. 3 grams* IAF and 0.6 mm* retraction distance for faster response.

No spring parts. With anti-interference for steady performance. Digital signal transmission, double* the life span.

Natural color display for natural creation

With a wide color gamut of 120% sRGB*, the new Artist brings a vivid visual experience with brilliant colors and delicate details even in a dark night.

Full lamination is applied to the drawing display to minimize parallax and provide more accuracy for a natural drawing experience.

4 trendy vibrant colors, pick yours

4 Trendy colors for your choice. Every of them is selected, to express the real you.

Color yourself, showcase your personalities in different ways.
