- A super-portable screen with an 11.6 Inch display area and featuring a convenient 3-in-1 cable design, easy to connect for convenience and efficiency.
- The creative Red Dial interface combines 8 fully customizable shortcut keys, crafted to make the creative workflow as smooth as possible.
- The 11.6 inch fully-laminated FHD Display pairs a superb color accuracy of 88% NTSC, creates a distraction-free working environment, and delivers rich colors, vivid images, and dazzling details.
- The XP-Pen Artist 12 Pro supports up to 60 degrees of tilt function, quickly and easily responding to the way your hand moves, giving you the ability to add shading to your creation.
