

Deco M & MW<sup>®</sup>

# New Deco, innovative drawing tablet with X3 chip stylus

X3 smart chip stylus  
Sharp! Stable! Precise!

## X3 smart chip stylus sparks more creativity under your brush

The stylus flows faster, than your inspiration. 3 grams\* IAF and 0.6 mm\* retraction distance for more efficient ink output.

No spring parts. With anti-interference for steady performance. Digital signal transmission, double\* the life span.

More precise positioning, virtually no accuracy errors. No broken lines and no lag.

## Bluetooth 5.0 wireless connection 1000mAh super power capacity for ultra-long standby

Equipped with a Bluetooth v5.0 chip, the Deco MW drawing tablet frees you to create without the limitation of cables, allowing you to keep your creative space organized and giving you the portability to use your device wherever your inspiration takes you.

The Deco MW drawing tablet comes with a large-capacity lithium battery (1000mAh/3.7V) for more than 10 hours that keeps the power going throughout all of your day.

## 4 trendy vibrant colors, pick yours

We have thoughtfully selected four vibrant colors for the frame.

They are warm and eye-catching with an abundance of playful energy.

Your boundless artistic expression deserves colorful companions such as these.

## Specifications
