NOW AVAILABLE IN INDIA

Star G960S & Star G960S Plus

Stay creative at a new level.

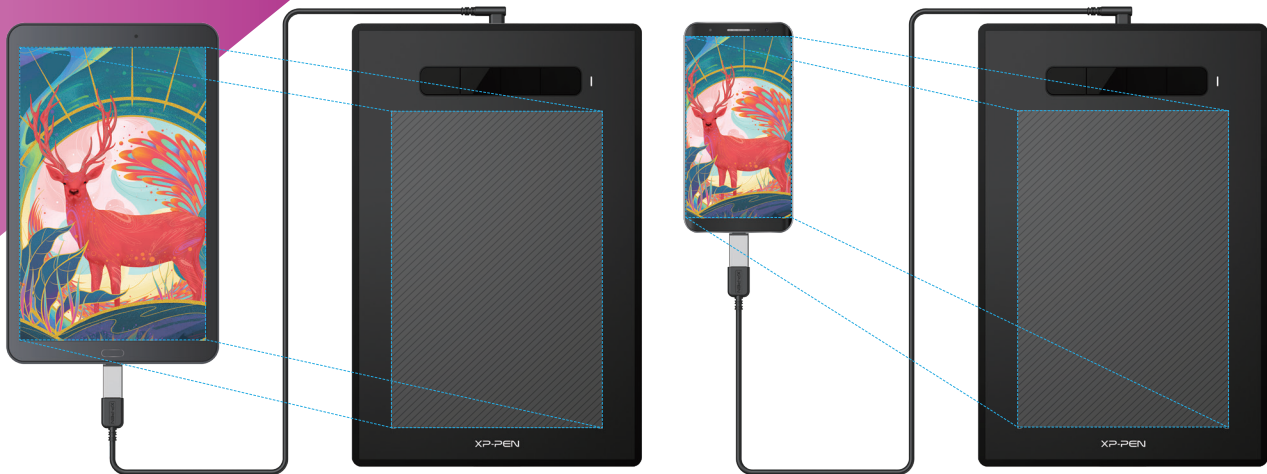

- ▶ The XP-Pen Star G960S/Star G960S Plus comes with a 9 x 6 inch working area, offering you more space and more freedom to express your creative ideas.
- ▶ Features four customizable shortcut keys, allowing you to tailor your shortcuts to your preferences and create with maximum convenience and efficiency.
- ▶ The Battery-free stylus supports up to 60 degrees of tilt function to enable a natural and smooth tilt brush effect, bringing you a familiar writing and drawing experience.
- ▶ Works with common Microsoft Office software like Word, PowerPoint, OneNote, and more. It supports digital inking in Microsoft Office, allowing you to simultaneously write with ink and visually present your handwritten notes and signature—ideal for your paperless office or online teaching needs.
